

PUSH BUTTONS PB SERIES

PB28 - Operating Voltage: 12v DC
 Load Current: 1.25A
 Housing Material: ABS
 On-off Mode: Key/ Automatic Reset (optional)

PB29 - Operating Voltage: 100v DC
 Load Current: 1.25A
 Housing Material: ABS
 On-off Mode: Automatic reset

PB65 - Operating Voltage: 12v DC
 Load Current: 3A
 Housing Material: ABS
 Internal Metal Composite: Phosphor copper plating
 On-off Mode: Automatic reset

PB68 - Operating Voltage: 12v DC
 Load Current: 1.25A
 On-off Mode: Key/ Automatic reset (optional)

PB68B - Operating Temperature: -25°C --105°C
 Switch Button Material: Copper with nickel cover
 Switch Faceplate Material: Stainless steel
 Button Size: 22x2mm
 Plate Size: 86x86mm

PBM100 - Operating Voltage: 12v DC
 Load Current: 1.25A
 Flush Mount
 Stainless Steel
 Vandal-proof
 Solid Metal Button
